PRELIMINARY AMENDMENT

Sir:

Applicant respectfully requests that the above-referenced patent application be amended before being taken up for examination as follows:

In the Claims:

Please add the following new claims:

11. (New) A method for ordering an advertising spot for an advertisement over a data network to be transmitted to a target user during a transmission of a motion picture, comprising: providing, by an advertiser, to a broadcaster a predetermined constraint defining the target user for receiving the advertisement;
